Important Customer Information

3

These notes are for your guidance and do not form part of the insurance contract.

You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance.

So that you understand what you are covered for, please read this policy, the policy schedule (which may make reference to endorsements) and the certificate of motor insurance very carefully. You should pay special attention to the general exceptions and general conditions of this policy.

If you have any questions, or the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your insurance intermediary.

Guidance Notes

There are useful guidance notes shown in the shaded areas throughout the policy document. The guidance notes do not form part of this insurance contract but are there to help you understand it. You should always read the guidance notes in conjunction with the whole of the policy document.

What to do in the Event of an Accident

These notes are for your guidance and do not form part of the insurance contract.

Regardless of blame it is important that you take the following action:

Stop: Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch: Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your vehicle).

Note down: You will need to make a note of:

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident.

Photographs: If it is safe to do so, try and take photographs to support the positions of the vehicles and the extent of damage.

Provide: You must give your own details to anyone who has reasonable grounds for requesting them.

DO NOT: Do not admit responsibility, either verbally or in writing.

If for any reason you have not been able to exchange details with other drivers or owners of property, or you were in collision with an animal, you must report the accident to the police as soon as possible, and certainly within 24 hours of the accident.

Making contact following an accident

Experienced advisers will take initial claim details and discuss recovery of your vehicle.

CALL 03330 436 497

Please call within 24 hours of the accident, but **ideally within 1 hour. This is regardless of whether you wish to make a claim under the policy or not.**

Your Accidental Damage Fire & Theft Excess will be increased to £1,250 if you do not report any incident within 24 hours.

Delay in notification of an incident to us may invalidate your right to claim.

Please quote your policy number and give all relevant information about the incident.

If your claim is due to theft, attempted theft or vandalism you must also inform the police and obtain a crime reference number.

Calling straightaway provides you with **benefits** which may include the following if you use an approved repairer (dependent on the level of policy cover you have):

- **FREE** collection and re-delivery
- **FREE** vehicle cleaning service
- Repairers' work guaranteed for three years
- Windscreen repair/replacement

Your claim and claims made against you will be dealt with as quickly and fairly as possible. Please read the General Conditions in this policy booklet.

For our joint protection, telephone calls may be recorded and monitored by us.

Guidance notes - Notification of changes

The premium that you pay is based on information you supplied at the inception or renewal date of this insurance policy.

If your circumstances, or the circumstances of any driver covered by this policy change, then the premium needs to be recalculated to ensure we are collecting the correct premium for the risk.

It is important that you notify your insurance intermediary immediately of any changes such as those examples given under Notification of changes.

If you fail to supply details of changes or the information supplied by you is not complete or accurate then:

- we may cancel your policy and refuse to pay any claim, or
- we may not pay any claim in full, or
- we may revise the premium and/or change the compulsory excess, or
- the extent of the cover may be affected.

This section will provide **you** with additional information when insuring **your** electric car, which is not referenced elsewhere in **your policy document**. If **you** have selected Comprehensive cover then all sections within the **policy document** apply to **you** and **your insured vehicle**.

Battery cover

Cover is provided as identified in this section irrespective if **you** own the battery or the battery is leased. If **you** lease the battery, then **you** need to know exactly what **your** responsibilities are. Please ensure **you** read all documentation **you** receive from the manufacturer so **you** fully understand what these are.

What is covered:

- damage to the battery caused by fire, theft or accident.

What is not covered:

- misuse of the car battery, including but not limited to, overcharging/undercharging and self-repair/replace; or
- cost to repair/replace a non-functional or faulty battery.

Charging cables and charging points

It is **your** responsibility to ensure that the charging cable is safeguarded against any trips or falls and/or injury to any persons or property, including malicious damage.

Charging on your driveway or in your garage

What is covered:

When **your insured vehicle** is being charged on **your** driveway or in **your** garage, **we** will cover:

- theft of, fire or accidental damage to **your** charging cable and a home charging point.
- liability to others.
- damage to **your insured vehicle** as a direct result of a charging point or cable unless **you** were aware of any fault to either of these items.

What is not covered:

- misuse of the charging cables, including but not limited to, overcharging/undercharging, deliberate acts and self-repair/replace; or
- cost to repair/replace faulty charging cables;
- cost to repair/replace faulty charging points;
- damage caused by knowingly using a faulty charging point or cable.

Charging away from your driveway or garage

When **your insured vehicle** is being charged away from **your** driveway or garage, **we** will cover:

- theft of, fire or accidental damage to the charging cable.
- liabilities to others.
- loss or damage to **your insured vehicle** as a direct result of a charging point or cable unless **you** were aware of any fault to either of these items.

What is not covered:

- misuse of the charging cables, including but not limited to, overcharging/undercharging, deliberate acts and self-repair/replace;
- cost to repair/replace faulty charging cables;
- any theft, fire, accidental or malicious damage to any charging point;
- cost to repair/replace faulty charging points.
- damage caused by knowingly using a faulty charging point or cable.

Section A - Loss of or Damage to the Insured Vehicle

This section only applies if the cover shown on your policy schedule is **Comprehensive**.

What is covered

We will cover **you** against loss or damage to the **insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism (malicious fire damage is covered by Section A of this policy). Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:-

- pay for the damage to the **insured vehicle** to be repaired, or
- with **your** agreement provide a replacement vehicle, or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle** whichever is the lower amount; or
- the **written down value** or **market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

We are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement **you** have entered into over and above the cost of replacing **your** vehicle.

If the **insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the **insured vehicle** is deemed to be beyond economical repair the damaged vehicle becomes **our** property once a claim is met

under the policy. **You** must send **us** the vehicle registration and MOT certificate if one is required by law for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is the subject of a Hire Purchase or Lease Agreement **we** will pay up to the amount defined above under 'the most **we** will pay'. This payment will be made to the Hire Purchase or Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, **you** owe less than the proceeds of **your** claim, **we** will pay **you** the difference.

In-vehicle communication, navigation and metering equipment

We will pay an amount of no greater than £750 in respect of any one occurrence for loss of or damage caused to permanently fitted **in-vehicle communication, navigation and metering equipment**.

Any amount payable in respect of **in-vehicle communication, navigation and metering equipment** will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

Repairs

Repairs are normally undertaken by **our approved repairer**.

If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- the most **we** will pay toward the cost of labour to repair the **insured vehicle** will be the labour rate quoted by **our approved repairer**. In these circumstances **we** may at our option settle the claim for repairs to the **insured vehicle** by making a cash payment based on the labour rate quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Guidance Notes – Finance or Lease agreement

If your insured vehicle is the subject of a finance or lease agreement and your vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the market value or written down value placed on your insured vehicle may not be sufficient to satisfy that agreement.

This policy does not cover any amount you are contractually obliged to pay under any lease or finance agreement, you have entered into, over and above the cost of replacing your vehicle. We would recommend that you discuss any concerns that you may have with your insurance intermediary who may be able to supply you with details of products available to cover any shortfall.

Young and Inexperienced Driver Excesses

You will be responsible for paying the following amounts while the **insured vehicle** is being driven by, is in the charge of or was last in the charge of the categories of driver listed below:

Age or experience of person driving, in charge of or last in charge of the insured vehicle	Amount of Excess
Aged 20 years and under	£300
Aged 21 to 24 years inclusive	£200
Aged 25 years and over but: <ul style="list-style-type: none"> • who holds a provisional driving licence; or • who holds an international driving licence; or • who holds and has held a full driving licence to drive the category of vehicle being driven issued either in a country within the geographical limits or a member country of the European Union but for less than one year. 	£150

The Young and Inexperienced Driver **Excess** applicable at the time of loss or damage is determined by the age or driving experience of the person driving/in charge of the **insured vehicle** at the inception date or last renewal date of the policy whichever is the later.

The amounts shown above are in addition to any other **excesses** which are shown elsewhere in this policy document or **your policy schedule** or in any **endorsement**.

Section A - Loss of or Damage to the Insured Vehicle (continued)

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety; and
- the cost of re-delivery after repairs to **your** home or business address;

whichever is the lower amount; and

- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer or place of safety or make our own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Guidance Notes - Flood damage

- If possible move your vehicle to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).
- Do not attempt to drive your vehicle through floodwater as it is inevitable that this will damage your engine particularly if you have an electric powered vehicle or your vehicle has a diesel engine or turbo charger. The policy does not pay for electrical faults and these are also likely to occur if you do drive through floodwater.
- If your vehicle is submerged do not try to start the engine. If possible get your vehicle pushed or towed out of the water and allow it to dry out. You may be lucky and the water may not have penetrated sufficiently to ruin the engine.

Repairs to your vehicle resulting from flood damage are covered if your policy is comprehensive but claims will be subject to the policy excesses. A comprehensive policy will also pay for towing and damage to upholstery, carpets and stereo systems resulting from flooding but only up to the limits shown overleaf.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft

This section only applies if the cover shown on your policy schedule is either **Comprehensive or Third Party Fire and Theft**.

What is covered

We will cover **you** against loss of or damage to the **insured vehicle** (less any **excess** that applies) caused by fire (other than fire by vandalism or malicious intent), lightning, self-ignition, explosion, theft or attempted theft.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section **we** may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle** whichever is the lower amount; or
- the written down value or market value, whichever is lower, if **your insured vehicle** is under a lease agreement.

We are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement **you** have entered into over and above the cost of replacing **your** vehicle.

If the **insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the insured vehicle:

- is stolen and has not been recovered at the time of settlement; or
- is deemed to be beyond economical repair as a result of a loss covered under this section of the policy

the lost or damaged vehicle becomes **our** property once a claim is met under the policy.

You must send **us** the vehicle registration document, and MOT certificate if one is required by law for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is the subject of a Hire Purchase or Lease Agreement **we** will pay up to the limit of liability defined above under 'the most **we** will pay'. This payment will be made to the Hire Purchase or Lease company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, **you** owe less than the proceeds of **your** claim, **we** will pay you the difference.

In-vehicle communication, navigation and metering equipment

We will pay an amount of no greater than £750 in respect of any one occurrence for loss of or damage to permanently fitted **in-vehicle communication, navigation and metering equipment** caused by fire (other than by vandalism or malicious intent), lightning, explosion, theft or attempted theft.

Any amount payable in respect of **in-vehicle communication, navigation and metering equipment** will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment based on the labour rate quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

We will not pay the cost of importing parts that are not available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

You will be responsible for paying the following amounts in respect of any claim relating to loss of or damage to **your insured vehicle** caused by fire (other than by vandalism or malicious intent), lightning, explosion, theft or attempted theft while the **insured vehicle** is being driven by or is in the charge or was last in the charge of the categories of driver listed below:

Age or experience of person driving, in charge of or last in charge of the insured vehicle	Excess Amount

The Young and Inexperienced Driver **Excess** applicable at the time of loss or damage is determined by the age or driving experience of the person driving/in charge of the **insured vehicle** at the inception date or last renewal date of the policy whichever is the later.

The amounts shown above are in addition to any other **excesses** shown elsewhere in this policy document or on **your policy schedule** or in any **endorsement**.

Protection and Recovery

Guidance Notes - Preventing Crime

- Don't give criminals an easy ride. Vehicle crime makes up 20% of all recorded crimes in the UK.
- Most thefts can be prevented - and it's in your interest and ours to take some simple precautions. Most things are common sense.
- Lock your vehicle and remove your ignition key/locking device when leaving it for even a short time e.g. at a petrol station or cashpoint machine.
- Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the vehicle. Always keep keys secure even inside your home (do not leave keys where a burglar can easily find them such as on a shelf or hook).
- Keys and locking devices should always be kept in a safe and secure place - do not leave them on a wall hook, windowsill or in a jacket pocket next to the vehicle.
- Take appropriate measures to safeguard the vehicle when showing it to prospective purchasers.
- Do not keep items such as the vehicle registration document, service book, MOT certificate or insurance certificate in the vehicle and never leave any valuables on view in the vehicle. You should remove items such as CD players, Radios/MP3 players and portable satellite navigation equipment whenever possible.
- Use good-quality locks and security devices.
- Park in a secure place if you can. If you have a garage, use it and lock it.

Exceptions to Sections A & B

What is not covered

These sections of **your** insurance policy do not cover the following:

- The first £1250 of any claim where **you** do not report any incident to the Claims Helpline within 24 hours of discovering the incident or where **you** have sought the involvement of any accident management company or third party claims handling company.
- The amount of any **excess** shown in the **policy schedule** or in this policy document or in any **endorsement** that applies.
- VAT if **you** are VAT registered.
- Indirect losses which result from the incident that caused **you** to claim, for example, **we** will not pay:
 - 1) compensation for **you** not being able to use the **insured vehicle**; or
 - 2) any additional costs relating to the testing or plating of a replacement vehicle if the **insured vehicle** is the subject of a total loss claim; or

We may at our option use parts that have not been supplied by the original manufacturer. If **you** insist that **we** use parts supplied by the original manufacturer even though alternative non-original manufacturer parts are available **you** will be required to pay **us** any difference in the cost of such parts.

If an incident occurs involving the breakage of multiple items of glass **we** will only pay for one piece of glass under this extra benefit.

In the event of an incident likely to give rise to a claim for damaged glass please visit claims.markerstudy.com or contact our approved replacement service via our 24 hour Claims Helpline on 03330 436 497.

If **you** do not use our approved replacement service cover is limited to an amount of £75 (after the deduction of any **excess** that applies) in any one annual **period of insurance**, without loss of No Claim Discount.

Section E - Foreign Use of the Insured Vehicle

What is covered

Legal minimum insurance

While the **insured vehicle** is in:

- any country which is a member of the European Union (EU); or
- any country which the Commission of the European Communities is satisfied has made arrangements of Article (8) of EC Directive 2009/103/EC relating to civil liabilities arising from the use of a motor vehicle,

this policy provides the minimum level of cover in respect of liability which is legally insurable in the country concerned. This legal minimum insurance does not include cover for loss of or damage to the **insured vehicle**.

Full policy cover

In addition to the legal minimum cover shown above, this policy can be extended to provide the cover shown in **your policy schedule** to any member country of the EU and also Andorra, the Channel Islands, Gibraltar, Iceland, Liechtenstein, Monaco, Norway, San Marino and Switzerland provided that:

- the use of the **insured vehicle** abroad is limited to no more than 30 days in total in any one annual **period of insurance**; and
- **you** or any permitted driver are normally resident within the **geographical limits** of this policy; and
- **your** visit abroad is for social, domestic or pleasure purposes.

If **you** wish to extend the full policy cover shown on **your policy schedule** to the countries listed above **you** must contact **your insurance intermediary** in advance of **your** intended trip abroad and obtain **our** agreement to provide cover.

Any agreement by **us** to extend full policy cover beyond the limits above may be subject to an additional premium. Additional policy restrictions may also apply.

If the policy is extended to provide the cover shown on **your policy schedule** whilst abroad:

- insurance is automatically provided on the **insured vehicle** while it is being transported (including loading and unloading) between ports in countries where **you** have cover, provided the **insured vehicle** is being transported by rail or a recognised sea route of not more than 65 hours duration; and
- **we** will pay the cost of delivery of the **insured vehicle** to **you** after repairs in the country in which damage was sustained, or to **your** home address, whichever is the lower amount, if the damage cannot be repaired economically by the intended time of **your** return to the United Kingdom or if the vehicle is stolen and recovered after **your** return to the United Kingdom; and
- **we** will pay the amount of foreign customs duty for which **you** are liable as a direct result of loss or damage to the **insured vehicle** preventing its return to the United Kingdom.

The exceptions applying to sections A, B & C of this insurance also apply to this section.

Section E - Foreign Use of the Insured Vehicle (continued)

Guidance Notes - Going Abroad

The policy does not automatically provide full cover abroad so, before travelling, please contact your insurance intermediary to arrange cover. The extended full insurance will then cover you in the countries for which we have agreed to provide cover and when your vehicle is travelling by rail or sea between those countries.

Unless you notify your insurance intermediary in advance of a trip abroad, the cover will be limited to the minimum cover you need under the law of the relevant country (EU minimum insurance). This minimum insurance will not provide any cover for damage to your vehicle.

Take your Certificate of Motor Insurance as evidence of insurance when you travel abroad.

If your vehicle suffers any loss or damage that is covered by this insurance and the vehicle is in a country where you have full policy cover, we will refund any customs duty you pay to temporarily import your vehicle.

We will only consider extending this insurance to countries which are covered by the International Green Card system.

If you are involved in any accident or incident whilst abroad please call the 24 hour Claims Helpline using the international dialling code for the UK: Telephone 0044 (0)1246 225001

Section F - Public Liability

What is covered

In addition to the cover provided by Section C of this policy in respect of the liabilities arising from the use of the **insured vehicle** **we** will also cover **your** legal liability to any public authority, company, firm or person (a 'principal') assumed by **you** or **your** driver under a contract or agreement but only as far as concerns the liability of the principal for any negligent act or omission of **you** or **your** driver. Cover only applies whilst **you** or **your** driver are engaged in the work which is the subject of the contract entered into between the contracting parties.

The most **we** will pay under this section for any one claim or series of claims arising out of any one event is £10,000,000 inclusive of costs and expenses.

For cover to apply under this section the accident or loss must be caused by **you** or one of the persons permitted to drive the **insured vehicle** as shown on the **certificate of motor insurance** (**your** 'authorised drivers').

Cover applies regardless of whether **your** authorised driver is employed by **you** or is contracted to **you** and working for **you** on a self-employed basis.

Payment can only be made under this section if **you** have reached prior agreement with the principal that the conduct and control of all claims arising under this section of the policy will rest with Markerstudy Insurance Services Limited.

What is not covered

This section of **your** insurance does not cover the following:

- any legal liability arising from the ownership or occupation of any premises by **you** or **your** authorised driver; or
- death of or bodily injury to any person if such death or injury arises of or in the course of his/her employment; or
- any incident where **your** legal liability is insured by a policy either in **your** name or that of **your** authorised driver covering the same liability, loss or damage; or
- claims arising from wrongful arrest; or
- claims resulting from criminal and/or alleged criminal acts by **you** or **your** driver; or
- punitive or exemplary damages whether as fines, penalties, multiplication of compensatory awards or damages in any other form whatsoever.

Section G - No Claim Discount

Section H - Protected No Claim Discount

As long as no claim is made under this policy during any annual **period of insurance**, we will give **you** a discount when **you** renew **your** insurance. The discount **you** will receive will be in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal. However, **your** entitlement will be affected in the event of a claim or multiple claims being made under this policy.

Your No Claim Discount will not be affected in the following circumstances:

- if **we** make a full recovery of all payments made by **us** in connection with the claim; or
- if **you** only claim for a broken windscreen or window under Section D of this policy and use **our** approved replacement service; or
- if **we** only have to pay for an emergency treatment fee.

If **you** make a claim or if a claim is made against **you** for an event which **you** may not consider to be **your** fault and **we** have to make a payment this will affect **your** No Claim Discount unless **we** can recover **our** outlay in full from the responsible party.

If **you** decide to cancel **your** policy and premiums remain outstanding **we** will not be able to issue proof of no claim discount until the outstanding premiums are paid.

You cannot transfer **your** No Claim Discount to somebody else.

Guidance Notes - No Claim Discount

There may on occasions be incidents (possibly involving a cyclist or pedestrian) where, although you are not claiming for damage to your vehicle, there is a potential for a claim against your policy by the third party.

In these circumstances we may disallow your No Claim Discount for up to 12 months until we are confident that a third party claim is unlikely to materialise.

This section only applies if shown on your policy schedule

You must have proved that **you** have an entitlement to No Claim Discount.

You will not lose any of **your** No Claim Discount as long as **you** make no more than two claims in any five year **period of insurance**. If three or more claims are made in any five year **period of insurance** we will reduce the discount **you** receive in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal.

Our agreement to protect **your** No Claim Discount does not mean that the premium cannot be increased at renewal of **your** policy to reflect an adverse claims record or driving history.

Section I - Uninsured Driver Promise

This section applies only if the cover shown on your policy schedule is Comprehensive.

Uninsured driver promise

If the **insured vehicle** is involved in an accident that was not **your** fault or that of the driver of the **insured vehicle** and caused by an uninsured motorist we will refund the cost of **your excess** and restore **your** No Claim Discount.

We will need:

- The vehicle registration and the make/model of the **third party** vehicle
- The responsible driver's details, if possible.

It also helps **us** to confirm who is at fault if **you** can get the names and addresses of any independent witnesses, if available. When **you** claim, **you** may have to pay **your excess**. Also, if when **your** renewal is due, investigations are still ongoing, **you** may lose **your** No Claim Discount temporarily. However, once **we** confirm that the accident was the fault of the uninsured driver, **we** will repay **your excess**, restore **your** No Claim Discount and refund any extra premium **you** have paid.

These General Exceptions apply to the whole of the insurance policy.

We also reserve the right to retain all premium paid for the current **period of insurance** in the event that a fault claim has been made against the policy during this period.

Non-payment of premium

In the event that there has been a loss or incident likely to give rise to a claim during the current **period of insurance** and premium amounts are outstanding **we** may at **our** discretion reduce any claims payment by the amount of outstanding or overdue premiums that **you** owe **us**.

Cancellation by you

You or **your insurance intermediary** can cancel this policy either from the date **we** are notified in writing or a later date as requested by **you**. Providing there have been no claims in the current **period of insurance** **we** will refund the premium calculated on a pro rata basis less our administration charge of £30 plus Insurance Premium Tax if applicable.

Guidance Notes - Policy Cancellation

Please note that any refund from us whether during or after the reflection period may be subject to a further cancellation charge levied by your insurance intermediary. Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

8. Total Losses and stolen vehicles

If as a result of a claim the **insured vehicle** is determined to be a total loss or **your** vehicle has been stolen and not recovered this policy will be cancelled without refund of premium unless **you** change **your** vehicle to another that would normally be acceptable to **us** or the stolen vehicle is recovered and not a total loss.

In the event of the policy being cancelled due to the **insured vehicle** being a total loss or stolen and not recovered, and there being no replacement vehicle to insure (or if there is a replacement vehicle to insure which is unacceptable to **us**), all outstanding or overdue premiums, including any administration charge due, must be paid immediately. **We** may at **our** discretion reduce the claims payment by the amount of outstanding or overdue premiums that **you** owe **us**.

9. Right of recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to **us**.

You or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau.

Any payment **we** have to make because **we** are required to do so by compulsory insurance law or an agreement with the Motor Insurers' Bureau will prejudice **your** No Claim Discount and will also mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

10. Fraud

You must not act in a fraudulent manner. If **you**, an authorised driver or anyone acting on **your** behalf knowingly commit:

- a. a fraudulent act or submit a fraudulent document or make a fraudulent statement when obtaining this policy or at any other time during the policy period; or
- b. make a claim that is false, fraudulent or deliberately exaggerated, **we** will:
 - i. not pay the claim
 - ii. immediately cancel this policy and all other insurances currently in force with **us** with which **you** and any authorised driver are connected.
 - iii. not issue any refund of premium on this and all other insurances currently in force with **us** with which **you** and any authorised driver are connected.
 - iv. inform the police of the circumstances.

When cancelling this policy **we** reserve the right not to issue any postal notification of cancellation where it is known that the postal address has been used fraudulently.

We believe in keeping your information safe and secure. This section provides you with some basic information and explains:

- What we do with your information
- How we may check the information you have provided to us against other sources such as databases
- Who we share your information with, and
- How we may use your information.

We are governed by the Data Protection legislation applicable in the United Kingdom.

How we may collect your information

We may collect details about you from

- Information you give to brokers
- Information you give us in online forms and other forms
- Other sources such as Google Earth and social media
- Third parties and other sources
- Telematics systems.

What information we may collect about you

We collect details including details about your health, personal circumstances, claims history, credit history, motoring history and other relevant details. We may collect information on you from databases such as the electoral roll and county court judgment records.

How we may share your information

In order to provide our services to you, we may share your information with insurance companies, solicitors, regulators, business partners and suppliers. We may also have a legal obligation to provide your information, in certain circumstances, with regulators, police and other public bodies.

Information you supply may be used for the purposes of insurance administration by us and third parties. These third parties may share your information with their own agents.

How we may use your information

We may use your information for a number of purposes. These include:

- Providing you with our services
- Dealing with your claim
- Carrying out checks such as fraud checks and credit checks
- Providing you with information about our products and services.

We give details about some of these processes below.

Driving Licence checks

We may also provide your (or any named third party) driving licence number (DLN) and other details to the DVLA to confirm licence status, entitlement and relevant restriction information and endorsement/conviction data.

Searches may be carried out prior to your policy commencing and at any point during your insurance policy including any mid-term adjustment and renewal stage. For details relating to information held about you by the DVLA please visit www.dvla.gov.uk.

The DVLA may also be used to search your (or any named third party's) no claims discount (NCD) details against a no claims discount database to obtain information in relation to your NCD entitlement.

We may pass details of your no claims discount to certain organisations to be recorded on a NCD database.

Providing you with details on our Products and Services

Where you have given us your consent to do so, we will send you information about products and services of ours and other companies in our Group which may be of interest to you. We may contact you by telephone, letter or email (as you have indicated)

You have a right at any time to stop us from contacting you for marketing purposes or giving your information to other members of the Group.

If you no longer wish to be contacted for marketing purposes then please contact our Data Protection Officer (contact details below).

Motor Insurance Database

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers' Bureau (MIB). MID and the data stored on it, including your personal details, may be looked at and used by certain statutory and/or authorised bodies including the Police, the DVLA, the Insurance Fraud Bureau and other bodies permitted by law.

If you are involved in an accident (in the UK or abroad), insurers and/or the MIB may search the MID to obtain relevant information.

Persons pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration details are shown on the MID at www.askmid.com

Fraud Prevention and Detection

We carry out fraud checks on our customers. We do this in order to prevent fraud and also to help us make decisions about the provision, pricing and administration of insurance.

When carrying out these checks, we will search against fraud detection databases.

We may pass details about you to some of these databases.

Law enforcement agencies, financial service providers, fraud prevention agencies, police and other organisations may also access these databases.

Claims History

We may process data relating to your claims history for the purposes of assessing any claim you may make.

The aim is to help us to check information provided and also to prevent fraudulent claims. When you tell us about an incident we will pass information relating to it to these databases. We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal.

Credit Searches and Accounting

To ensure insurers and credit providers have the necessary facts to verify your identity, help prevent fraud and carry out risk profiling which allows them to calculate your premium and payment options, they may obtain information about you, any person named on the application and your home or vehicle from publicly available sources and trusted third parties when you ask for a quote, when preparing your renewal and sometimes if you change your cover in order to offer you a monthly credit payment option. This may include a quotation search from a credit reference agency (CRA). This will appear on your credit report and will be visible to other credit providers. It will be clear it is a quotation and not a credit application by you. The identity of credit reference agencies and the ways they use and share personal information are explained in more detail at <https://www.transunion.co.uk/crain>, <https://www.equifax.co.uk/crain> or <https://www.experian.co.uk/crain/index.html>. You can also check the information they hold about you.

You should be aware that insurers exchange information through various databases to help check information provided and to prevent fraudulent claims. Specifically, MIB hosts the Claims and Underwriting Exchange (CUE) which holds a record of incidents reported to insurance companies by policyholders and third-party claimants. Insurers may validate the information provided by you, both about yourself and about any other person named on the application, against the information held on CUE and against other databases hosted by MIB. Insurers may use this information to consider whether to accept the risk. For details relating to information held about you on the Claims and Underwriting
